

The 19th IEEE International Conference on Autonomous Robot Systems and Competitions (ICARSC'2019) is an international scientific meeting in the field of Robotics co-sponsored by IEEE and IEEE Robotics and Automation Society (RAS), through its Portuguese Chapter.

ICARSC 2019 will take place at Porto - Gondomar, April 24-26, 2019. The conference is organized by the University of Porto - Faculty of Engineering, INESC-TEC, LIACC, CISTER, P.Porto and by the Portuguese Society for Robotics.

ICARSC is typically organized in a single track to favor discussion and interactions, accompanied by poster sessions and keynote speeches. Contributions from the academy, industry, and outputs from the collaboration between industrial and academic R&D units are welcome.
