

The IEEE International Conference on Autonomous Robot Systems and Competitions gathers participants from academia and industry working in the field of autonomous robotics and related areas. It is organized within the 18h Portuguese Robotics Open. The conference will be held at the Torres Vedras Town Hall, Torres Vedras, Portugal, on April 25-27, 2018 and it is promoted by ISEL – Instituto Superior de Engenharia de Lisboa (Polytechnic Institute of Lisbon), ESTG – Escola Superior de Tecnologia e Gestão (Polytechnic Institute of Leiria), Portuguese Robotics Society, IEEE Portugal Section, IEEE RAS Portugal and IEEE RAS.

The conference is aimed at exploring and discussing the latest trends in research and technology in the fields of robotics and related areas.

Contributions from researchers, industry and outputs from collaboration between industrial and academic R&D units are welcome.
