We are pleased to inform you that ICARSC 2024 24th IEEE(*) International Conference on Autonomous Robot Systems and Competitions will be held in Paredes de Coura, Portugal, on May 2-3, 2024. The conference is organized within ROBOTICA 2024 – 24th Portuguese Robotics Open, a RoboCup-sponsored local event, and it is promoted by the University of Porto, University of Minho, Polytechnic Institute of Bragança, University of Coimbra, University of Aveiro, Institute of Systems and Robotics (University of Coimbra) and the Portuguese Robotics Society.

ICARSC is typically organized in a single track to favor discussion and interactions, accompanied by poster sessions and keynote speeches. Contributions from the academy, industry, and outputs from the collaboration between industrial and academic R&D units are welcome.
